# ABOUT US

---

TradeSafe is an innovative platform developed by TPS to connect merchants with customs brokers and shipping companies, streamlining international trade operations. Merchants can create two types of orders customs broker orders and shipping company orders and receive multiple offers from service providers to choose the best option. The platform includes real-time chat, enabling direct communication between merchants and brokers or shipping companies, as well as a rating system, detailed reports, and integrated payment solutions. To enhance efficiency, TradeSafe also leverages artificial intelligence for team support and service assistance, ensuring a seamless and reliable experience for all users
